

As a proactive step to limit the spread of Covid-19, we have created a payment window on the north side of our building. As government and health officials have encouraged our communities to take preventive steps for the well-being of our clients and families, Northwoods Insurance Agency is requiring our clients conduct their business via phone and email. To insure your health and safety, we are no longer open for lobby traffic and cash payments in the office and request that you utilize the payment window. We are taking this situation seriously and our dedicated team is committed to serving your insurance needs. We are open and available Monday thru Friday via phone and email from 8:00 A.M. until 4:30 P.M. You can process your premium payments, claims and coverage changes by calling us at 715-478-2215 or emailing us at office@northwoodsinsurance.com. Northwoods Insurance Agency has a long history of supporting the communities we serve and we certainly will do all we can to assist you. Stay Healthy and we will continue to update you as this crisis unfolds. Thank you for your loyalty and support during this unique time in our history.
